

This is a project update for the Cowles Street Project effective September 25, 2009.

Please visit the Cowles Street Project website at <http://dot.alaska.gov/nreg/cowles/>.

Cowles St and 21st Ave

- Asphalt Paving and sidewalks are complete
- Traffic markings are in place
- Signs are being installed
- The new LED street lights are scheduled to be energized tonight.
- Old fire hydrants on 21st are being removed
- Fence installation and final landscaping will begin next week

Cowles, 23rd to 19th Ave, continues to be CLOSED to through traffic

- Although Cowles St and 21st Ave appear complete, sections will be closed to through traffic so that final work items can be completed
- Residential and Business access is provided
- Cowles Street will be opened from 19th to 21st to allow access to medical offices
- Detours for through traffic will direct traffic around the closed area

For your information

- Heavy equipment and personnel are still working and will be in and around the street
- Watch for pedestrians, especially children walking to and from schools

If you have any ADA concerns about the Cowles St Project please contact Exclusive Paving or DOT&PF.

THANK YOU FOR YOUR PATIENCE!
